RACECUP

Our car bed has the appearance of a real race car with its 3-dimensional tires and curved lines. It is equipped with a very stylish front bumper that is compatible with this model. Especially the license plate and checkered side stickers render our car bed even more streamlined.

RACECUP

Specially designed tire handles are used on the wardrobe covers. The visual quality has been enhanced through the use of race-themed stickers on the wardrobe covers.

There are 2 separate hanger rods and multiple shelves inside the wardrobe. Our wardrobe is equipped with a wall fixation apparatus.

RACECUP

Our dresser is equipped with 3 drawers. It has been further enriched with racer themed graphic patterns.

Tire handles have been used on all drawers.

Our top drawer has been partitioned for ease of use.

RACECUP

Our bookcase is tall and has many shelves. It has been enriched with racer themed graphic patterns. Our bookcase is equipped with a wall fixation apparatus.

RACECUP

Our desk has wide and practical drawers.

Our study unit is equipped with convenient and partitioned compartments. Our desk has been enriched with a mesh pocket on the unit where you may place your articles.

The dimensions of top table of our desk are suitable for studying. Our desk offers special safety by its rounded edges. Our desk is equipped with a wall fixation apparatus.
